

THE LONG-RANGE PLAN FOR CANADIAN SUBATOMIC PHYSICS: 2027-2034

Membership - June 5 2025

Co-Chairs (Voting):

Paul Garrett	<i>University of Guelph</i>	pgarrett@physics.uoguelph.ca
Alison Lister	<i>University of British Columbia</i>	alister@phas.ubc.ca

Voting Members:

Torben Ferber	<i>Karlsruhe Institute of Technology, Germany</i>	torben.ferber@kit.edu
Alfredo Galindo-Uribarri	<i>Oak Ridge National Lab, USA</i>	uribarri@ornl.gov
Darren Grant	<i>Simon Fraser University</i>	darren_grant@sfu.ca
David Hornidge	<i>Mount Allison University</i>	dhornidge@mta.ca
Katelin Schutz	<i>McGill University</i>	katelin.schutz@mcgill.ca
Hirohisa Tanaka	<i>Stanford University, USA</i>	hatanaka@stanford.edu
Nicole Vassh	<i>TRIUMF</i>	nvassh@triumf.ca
Simon Viel	<i>Carleton University</i>	SimonViel@cunet.carleton.ca

Representatives from the LRP commissioning bodies (Non-voting):

- Director of the Institute of Particle Physics (Carsten Krauss)
- Executive Director of the Canadian Institute of Nuclear Physics (Garth Huber)
- NSERC Manager working with subatomic physics (Kevin Lapointe)
- CFI Associate Director of Programs working with subatomic physics (Olivier Gagnon)
- Co-Chairs of the NSERC Subatomic Physics Evaluation Section (2026 competition)

Invited *ex-officio* members (Non-voting):

- TRIUMF Director representative (Rituparna Kanungo)
- SNOLAB Director (Jodi Cooley)
- McDonald Institute Director (Tony Noble)
- Perimeter Institute representative

The LRP Committee may choose to hold certain closed sessions without the presence of *ex-officio* members.
