Hi Garth

I don't need to give a formal detailed report, but I'd like to report this much:

- 1) Audit done, taxes submitted, notice of intent downloaded from website. Haven't received it by mail yet.
- 2) Three outstanding institutional fees: Calgary, Saint Mary's, Winnipeg. Total amount outstanding \$6500. Will follow up after October 1.

... Greg

Hi,

Normally, the next CINP Board meeting would not be until November. However, we've received 3 conference support applications that need decisions fairly soon, and there are also a few membership applications that are pending approval.

Thus, it might be useful to schedule a short meeting (30-45 minutes) to deal with these issues all at once, rather than via a long email exchange. It's up to Greg whether he wants to give a short fiscal update, or not.

To see if we can find a time, please fill out the poll soon, for Sept 24-Oct 3.
